Map of East Asia, Southeast Asia, and the Pacific Ocean. The map shows the Korean Peninsula, Japan, the Philippines, and parts of China and Indonesia. It includes a grid of latitude and longitude lines, with labels for various geographical features, cities, and bodies of water. A prominent black line runs across the Korean Peninsula, and another black line runs along the coast of China. A small inset map in the top right corner shows the location of the main map area within the Pacific Ocean. The map is titled 'Approved For Release 2001/05: CIA-RDP69B00011R000100060065' at the top.
